SettlementOne Hires New Director of Appraisal Services

San Diego, CA - SettlementOne is pleased to announce that Jo Hartman has joined the company as Director of Appraisal Services. Jo Hartman has over 20 years of experience in real estate appraisal services, including the implementation of quality control initiatives, managing a nationwide staff of appraisers, and supervising operations. Hartman's role is to oversee SettlementOne's National Appraisal division and the Home Valuation Code of Conduct (HVCC) compliant process.

"We are excited to have Jo Hartman on our staff", says Will Dillard, Director of Operations for SettlementOne. "Her extensive experience in appraisal services complements our national appraisal team and is an asset for our clients and business as a whole."

SettlementOne has emerged as an industry leader in providing an HVCC compliant solution. Our appraisal process meets regulatory guidelines and preserves the quality and comfort of trusted appraiser relationships. For more information on SettlementOne's national appraisal service or the HVCC visit www.settlementone.com/hvcc.

SettlementOne is widely recognized as an industry leader in providing settlement services to financial institutions nationwide. For over a decade, lenders have benefited from our credit reporting, flood certification, property valuation, title, closing and compliance solutions.

SettlementOne is part of the SNH family of companies, bringing hundreds of years' of collective experience and substantial resources to serve every client. SNH services the automotive, mortgage and employment screening industries.
