SettlementOne Valuation Launches New Website

San Diego, CA (May 26, 2011) - SettlementOne Valuation, a leading provider of appraisal services to financial lending institutions nationwide, announced the recent launch of its new website at www.settlementonevaluation.com. This new site enhances the availability of company and industry information such as regulatory compliance, relevant news, and content on SettlementOne Valuation's appraisal solutions. The website also includes a new design, added content, improved organization, features to enable ease of use and navigation, and direct link to SettlementOne's appraisal platform.

###

ABOUT SETTLEMENTONE VALUATION

As a leading provider of valuation services, SettlementOne Valuation provides clients with innovative solutions that meet the compliance requirements of Fannie Mae, Freddie Mac, Dodd-Frank, and other regulatory agencies. The company specializes in combining a "high touch" service approach with the latest technology, superior appraisal products, and dedicated account management teams. SettlementOne Valuation ensures lenders deliver the highest quality appraisals to their customers, while meeting their goals of compliance, operational efficiency, and cost-effectiveness. For more information, please call 800-340-2009 or visit www.settlementonevaluation.com.
